

**REMARKS:**

The allowance of claims 1, 3, 5, 7 and 10 is noted with appreciation. The claims are not amended herein and should still be in condition for allowance.

This RCE is filed in conjunction with an Information Disclosure Statement (IDS) and Form PTO-1449 to make various references of record for the instant patent application. It should be noted that U.S. Patent Application Publication No. 2005/0169220 corresponds to S.N. 10/770,880, the U.S. Patent Application referred to on page 11 of the specification. It should also be noted that *Devarapalli* and *Lee* were previously submitted in other IDS' for the instant patent application. However, the Examiner did not initial the Form PTO-1449's for these two references and, as such, they are being resubmitted in the attached IDS.

Favorable consideration and allowance is respectfully requested. Should any unresolved issue remain, the examiner is invited to call Applicants' agent at the telephone number indicated below.

Respectfully submitted:
